Transmittal Letter Of Replacement Drawing Sheets

Sir:

Pursuant to 37 C.F.R. § 1.85 and in response to the Notice of Draftsperson's Patent Drawing Review in the above-identified application, applicants herewith furnish sixty-one (61) sheets of Replacement Drawing Sheets, to be substituted for the sixty-one (61) sheets of drawings previously filed in the above-identified patent application.

In response to the Draftperson's patent drawing objections, applicants have replaced original Figure 1 and Figure 1A (original drawing sheets 1/61 to 61/69) with replacement Figure 1A-1 to 1A-60 and Figure 1B (replacement drawing sheets 1/69 to 61/69), respectively.

Applicants have separately labeled each page of original Figure 1 as Figure 1A-1 to 1A-60, consecutively, as required by the draftsperson. Accordingly, applicants have also relabeled original Figure 1A to Figure 1B.

In addition, in replacement Figure 1B (former Figure 1A), the numbers and reference characters have been increased in size to conform with the requirement under 1.84(p), as required by the draftsperson.

Please note replacement Figure 1B includes an amendment made in a February 22, 2001 Preliminary Amendment. This amendment was made to correct an inadvertent typographical error to replace the amino acid sequence "ILRGLKYIHSAD" with "IRLGLKYIHSAN" at the beginning of the third line of the ERK2 sequence.

These amendments of the drawings do not constitute new matter.

Applicants have also submitted a set of Replacement Drawing Sheets to the Examiner in an Amendment and Reply to a December 18, 2002 Office Action.

The Director is authorized to charge any additional fees that may be due, or credit overpayment, to Deposit Account No. 06-1075. A duplicate copy of this Transmittal Letter is enclosed.

Respectfully submitted,
